## **Young Joong Hwang**

President of the Korean Society for Aesthetic Plastic Surgery

Dear Members and foreign plastic surgeons in great interest of Korean Aesthetic Plastic Surgery 2014;

It is such a great weather these days. I am great happy to announce you that Aesthetic Plastic Surgery 2014, the international meeting on aesthetic plastic surgery, is successfully prepared.

I understand that the environments surrounding us are really challenging and difficult to be improved with ease. However, if all the members devote themselves to the development of new techniques, the profound academic growth of the Society, and the efforts to further the substance, we will gain the strength to overcome any difficult situations.

It has been four years since the congress, which used to remain at the national level, was reorganized to be an international one on the back of its merger with the Korean Association of Plastic Surgeons (KSPS). It has been a short time of period, but we were able to proudly introduce the advances in Korea's aesthetic plastic surgery to the world and generate visible academic results.

This year the Congress of Korean Society for Aesthetic Plastic Surgery will take place at COEX, Seoul, under the title of "Aesthetic Plastic Surgery 2014" on April 26<sup>th</sup> to 27<sup>th</sup> in conjunction with the Korean Association of Plastic Surgeons and foreign surgeons from many other countries. Especially, new invited speakers will be graced on Aesthetic Plastic Surgery 2014. I would like to express my deepest gratitude to the Chief Director, Society Members and Management & Employees, who made detailed preparations for the success of the congress, for their volunteering work as and hard efforts.

As the Chairman of the Society, I once again hope that your works will go along to your satisfaction and look forward to welcoming all of you at the Congress.

Thank you.

## Young Jin Kim

Chairman, Board of Directors of  
the Korean Society for Aesthetic Plastic Surgery

Dear members,

Korean Society for Aesthetic Plastic Surgery (KSAPS) was founded in 1985, and KSAPS has made remarkable progress for the past three decades. Since the foundation of Korean Society for Aesthetic Plastic Surgery (KSAPS), great improvements have been achieved by our honorable members in terms of both quality and quantity. Nowadays, KSAPS has total 1522 members and official English language journal, Archives of Aesthetic Plastic Surgery (AAPS). And KSAPS had a great time at 2013 American society of plastic surgery The Meeting at San Diego, as the guest nation. By this year (2014), we are going to have the 32<sup>nd</sup> international meeting of Korean Society for Aesthetic Plastic Surgery (KSAPS), 12<sup>th</sup> Korean Association of Plastic Surgeons, which will be held in COEX convention center, Seoul, from 26<sup>th</sup> to 27<sup>th</sup>, April, 2014. Our goal of Aesthetic Plastic Surgery 2014 is to let all the people know the leading role of plastic surgeon in the aesthetic surgery, and also expanding the global footprint and global reputation of Korean aesthetic surgery.

In the spring conference, Aesthetic Plastic Surgery 2014, I hope all participants will enjoy the programs of Aesthetic Plastic Surgery 2014 and have great and fulfilling time in this meeting.

Thank you very much.

## **Sang Mock Lee**

President of the Korean Association of Plastic Surgeons

Now we live in one-world, not each country. There is also a movement, 'fusion' between fields because many fields those we thought different in nature have common knowledge or common problems.

I proudly present you our program of 'Aesthetic Plastic Surgery 2014' in Seoul. This annual scientific meeting is usually co-endorsed by the congress of the Korean society for aesthetic plastic surgeons and by the congress of the Korean association of plastic surgeons. It is very well-known to the Korean and some Asian plastic surgeons as very high-ended scientific meeting, but it is not introduced to the plastic surgeons in whole world even we have relatively long history. I believe our mission is to do share our knowledge with other members from whole around world. It is more obvious after invitation from the last annual meeting of ASPS.

It had changed in quality of our scientific field and make us know the role of our society in the world. Our committee invites many excellent panelists from Korea and other many countries for more well updated scientific knowledge. We also changed our Journal published in English to be a status as one of the world-class societies.

I would like to invite you to join "Aesthetic Plastic Surgery 2014". In this meeting, you can find many excellent presentations on outstanding academic achievements across many different fields from eye or nose surgery to breast and body surgery, minimal invasive surgery including botulinum toxin and fillers, ADSC assisted surgery and others with the latest development. There is no doubt that this level of advanced development would not have been possible without the ongoing effort of each member and the solid exchanges and cooperation among the members. Through this meeting, you can have up-dated academic exchanges and world-wide networking in your practice.

I hope see more members from whole world in this meeting and I wish for health and peace in your family.

## Seung Kyu Han

Chairman, Scientific Committee of  
the Korean Society for Aesthetic Plastic Surgery

Dear Friends and Colleagues,

I am particularly pleased to announce you that Aesthetic Plastic Surgery 2014, the international meeting on aesthetic plastic surgery, is successfully prepared. The Korean Society for Aesthetic Plastic Surgery has recently started to hold an academic conference, whose status has been raised to an international one, in conjunction with the Korean Association of Plastic Surgeons. From last year, the title of the conference was changed to "Aesthetic Plastic Surgery" to claim its highest authority in the field of aesthetic plastic surgery and a new homepage was opened.

I'd like to say that we did our best to prepare the 2014 Conference. Let me describe some of the characteristics of "Aesthetic Plastic Surgery 2014": First, the program includes non-cosmetic aesthetic procedures in addition to cosmetic ones, reinforces the topics on new treatments based on basic research such as cell therapy, and highlights its differentiation from the conferences held by non-specialists. Second, we expand the topics that received great responses from the members and shrink the sessions that received weak responses based on the survey results on the 2013 conference in order to increase the overall vitality level of the conference. Third, the program was organized with a focus on the participating members rather than the holding institution. In other words, we have put the sessions of the same field in the same room so that the participating members could enjoy convenience when studying at the conference. Based on our experiences with the previous conferences, we have also allocated topics with many participants to two rooms combined into one so that the participating members would experience inconvenience of standing in the sessions at the minimum level. Finally, we will install and run an electronic board near the reception desk so that the members will be able to watch a poster presentation in an easy and comfortable way.

I wish for the successful "Aesthetic Plastic Surgery 2014."

Thank you.

## Jae Woo Park

Chairman, Scientific Committee of  
the Korean Association of Plastic Surgeons

Board member of science, the Congress of the Korean Association of Plastic Surgeons.

The goal of the cosmetic, aesthetic surgery is to help restore order of the patient's external appearance and finally make their life beauty in order and in proportion. Sometimes the disfigurement of someone make them to feel out of alignment and sad. If we restore their external appearance in order, it could restore their life in sound body, in sound mind, and in sound sprite. Sometimes we often think the cosmetic surgery is not related with reconstructive surgery, but I think it is always based on the basic idea of the reconstructive surgery. Nowadays, everything in our life usually is in the 'fusion' between different parts as a trend. It is time to make connections with other related fields to make further advancements in our activities. That is the reason why we have changed the name of our scientific meeting as 'Aesthetic Plastic Surgery 2014'. We would deal the new trends in cosmetic and aesthetic surgery that is very legitimate and get better results in external appearances and functional recovery. You can find the way to restore the people in harmony and in order, not only in the appearance but also in the spirit. Last year, we found our roles in the world plastic surgery after invitation of ASPS. We, the Korean Association of Plastic Surgeons, will try to do more research, more education, more charity to our colleague of the world in addition to the member of Korea.

I would like to share this wonderful meeting with the members from many countries. We want to have academic exchanges with other countries' members to promote growth and development on both sides. With this communication between world-wide members, we can get our improvement in scientific knowledge and in our friendship.

Thank you very much.

## Carlos Oscar Uebel

President, International Society of Aesthetic Plastic Surgery  
Division of Plastic Surgery Pontifícia Universidade Católica - PUCRS.  
Porto Alegre Brazil

### 1. April 26<sup>th</sup>, Saturday, Room I-III 11:50~12:30

**Theme:** Invited Lecture 1

**Title:** Lipoabdominoplasty: Revisiting the superior pull down abdominal flap and new approaches

### 2. Curriculum Vitae

Certified by the Brazilian Board of Plastic Surgery and Brazilian Board of General Surgery, Dr. Uebel is an Associate Professor of Plastic Surgery at the Pontifícia Universidade Católica do Rio Grande do Sul, Brazil. He has practiced plastic surgery for over 30 years and now is serving as International Director of the Brazilian Society of Plastic Surgery (SBCP) and as President-Elect of International Society of Plastic Surgery (ISAPS). He has introduced The Punctiform Technique in the field of Hair Restoration Surgery in the end of the 80s, which still remains the most widely used technique in Baldness Surgery. In 2005 and 2006 published important papers about Platelet Rich Plasma and Platelet Derived-Grow Factors on Hair Restoration. He is the author of numerous publications in important medical journals about Facial and Body Contouring Surgery, as well as several book chapters. Recently has published a paper about Lipoabdominoplasty in the Aesthetic Plastic Surgery Journal. It is one of the coordinators of the International Symposium held every year in São Paulo, a meeting on its 12<sup>nd</sup> Edition, that brings the renowned Plastic Surgeons of the world to discuss the most recent advances of Plastic Surgery. He receives in his own clinic a great number of surgeons from around the world for training in Plastic Aesthetic and Reconstructive Surgery.

- Associate Professor - Division of Plastic Surgery Pontifícia Universidade Católica - PUCRS. Porto Alegre Brazil
- Ph.D in Plastic Surgery. Title obtained on the Pos-Graduate Course of Pontifícia Universidade Católica - PUCRS - September 2006
- Professor of the Educational Foundation for the International Society of Aesthetic Plastic Surgery - ISAPS
- Member of the Brazilian Society of Plastic Surgery - SBCP
- Member of the International Society of Aesthetic Plastic Surgery - ISAPS
- Member of the International Society of Hair Restoration Surgery - ISHRS
- Member of the Alumni Association Professor Ivo Pitanguy - AEXPI
- Director of the International Relations Department - Brazilian Society SBCP
- First Vice-President - ISAPS 2008-2010
- First Vice-President - SBCP 2008-2009
- President-Elect - ISAPS 2010-2012

## Fausto Viterbo

Botucatu Medical School, Paulista State Univ., Brazil

### 1. April 27<sup>th</sup>, Sunday, Room II 09:00~10:00

**Theme:** Antiaging 2: Facial Palsy Related Facial Rejuvenation

**Title:** Facial palsy: Aesthetic and reconstructive with the same direction

### 2. April 27<sup>th</sup>, Sunday, Room I 10:40~12:00

**Theme:** Lipoplasty 2: Gluteoplasty

**Title:** Liposuction and gluteal grafting

### 3. April 27<sup>th</sup>, Sunday, Room II 16:00~17:00

**Theme:** Invited Lecture 2

**Title:** Facelifting: rejuvenation and embellishment

### 4. Curriculum Vitae

1972-1977 Bachelor's in Medicina.  
Universidade Federal do Rio Grande do Sul, UFRGS, Porto Alegre, Brazil

1978-1979 Specialization - Medical Residence.  
Universidade Federal do Rio Grande do Sul, UFRGS, Porto Alegre, Brazil

1981-1982 Specialization - Medical Residence.  
Fundação Jorge Psillakis, FJP\*, Brazil

1978 Specialization in Medicina do Trabalho.  
Pontifícia Universidade Católica do Rio Grande do Sul, PUCRS, Porto Alegre, Brazil

1981-1985 Master's in Bases Gerais da Cirurgia e Cirurgia Experimental.  
Universidade Estadual Paulista Júlio de Mesquita Filho, UNESP, Sao Paulo, Brazil

1986-1992 Doctorate in Bases Gerais da Cirurgia e Cirurgia Experimental.  
Universidade Estadual Paulista Júlio de Mesquita Filho, UNESP, Sao Paulo, Brazil

1995 Postdoctorate.  
Plastic Reconstructive Surgery Department University of Pittsburgh Medical, UPMC, United States

2010 Habilitation  
Faculdade de Medicina de Botucatu/ UNESP, FMB - UNESP, Brazil, Year of degree: 2010

1. Universidade Estadual Paulista Júlio de Mesquita Filho – UNESP

1986-Current Contract: Servidor público, Position: Professor Assistente), Schemes of job: Part-time

2. Clínica Doutor Fausto Viterbo – FV

1982-Current Contract: Diretor, Position: Cirurgião Plástico, Schemes of job: Part-time

## **Stan Monstrey**

Ghent University Hospital, Belgium

### **1. April 27<sup>th</sup>, Sunday, Room I 13:30~14:30**

**Theme:** Keynote 7

**Title:** Aesthetic Aspects of Sex Reassignment Surgery

### **2. Curriculum Vitae**

- 1981-1984 General surgery residency, Department of General Surgery and Traumatology (Head: Prof. Dr. H.H.M. de Boer), University Hospital St.Radboud, Catholic University of Nijmegen, The Netherlands.
- 1984-1988 Plastic Surgery residency September, Department of Plastic and Reconstructive Surgery and associated Burn Center, University Hospital, State University of Gent, Belgium.
- 1989-1990 Research Fellowship, Department of Plastic and Reconstructive Surgery at the University of Pittsburgh
- 1990-1991 Clinical Fellowship in Microsurgery and Handsurgery, Department of Plastic and Reconstructive Surgery at the University of Pittsburgh (Chairman: J.W. Futrell; Associate Professor: N.F. Jones).
- 1988-1989 Lieutenant - Plastic Surgeon (during Military Service), Department of Surgery in the Main Military Hospital of the Belgian NATO Forces in Cologne, Germany.
- 1988-1989 Consultant Plastic Surgeon, Department of Plastic and Reconstructive Surgery, Academic Hospital, Free University, Brussels, Belgium.
- 1991-1995 Staff Member and Associate Professor, Department of Plastic and Reconstructive Surgery with associated Burn Center, University Hospital, Gent, Belgium.
- 1994-1998 Associate Professor and Chairman, Department of Plastic and Reconstructive Surgery with associated Burn Center, University Hospital, Gent, Belgium
- 1995 Chairman of the Department of Plastic and Reconstructive Surgery with associated Burn Center, University Hospital, Gent, Belgium
- 1998-2002 Professor of the Department of Plastic and Reconstructive Surgery, University Hospital Gent, Belgium
- 2002 Appointed as Full Professor at the University of Gent, Faculty of Medicine

## Tsai-Ming Lin

Charming Institute of Plastic Surgery, Kaohsiung Medical University,  
Kaohsiung, Taiwan

### 1. April 27<sup>th</sup>, Sunday, Room I 09:00~10:00

**Theme:** Lipoplasty 1: Special Body Contouring with Fat Grafting

**Title:** Peri-orbital rejuvenation with Micro-Autologous Fat Transplantation (MAFT)

### 2. April 27<sup>th</sup>, Sunday, Room 201 10:40~12:00

**Theme:** Keynote 6

**Title:** Total facial rejuvenation with Micro-Autologous Fat Transplantation (MAFT)

### 3. Curriculum Vitae

1990 Bachelor of Medicine, Kaohsiung Medical University, Taiwan

2003 Fellow of Stem Cell Research, Michigan State University, US

2007 Ph.D. of Medicine, Kaohsiung Medical University, Taiwan

1989-1990 Internship, Kaohsiung Medical University Hospital, Taiwan

1990-1993 Residency training, Department of Surgery, Kaohsiung Medical University Hospital, Taiwan

1993-1994 Chief resident, Department of Surgery, Kaohsiung Medical University Hospital, Taiwan

1994-1996 Chief resident, Division of Plastic and Reconstructive Surgery, Kaohsiung Medical University Hospital, Taiwan

1996-Present Director of Charming Plastic Clinic

1996-2006 Attending Plastic Surgeon, Division of Plastic and Reconstructive Surgery, Department of Surgery, Kaohsiung Medical University Hospital, Taiwan

1998-2000 Attending Plastic Surgeon, Department of Surgery, Kaohsiung Municipal Hsiao Kang Hospital, Taiwan

2001-2006 Chief of Intensive Burn Care Unit, Division of Plastic and Reconstructive Surgery, Department of Surgery, Kaohsiung Medical University Hospital, Taiwan

2004-2006 Director of Surgical Skill Center, Kaohsiung Medical University Hospital, Taiwan

2006-Present Director of Charming Plastic Clinic

## **Carlos Lasa Jr.**

President, Philippine Association of Plastic, Reconstructive & Aesthetic Surgeons

### **1. April 27<sup>th</sup>, Sunday, Room III 13:30~14:30**

**Theme:** Rhinoplasty 2: Common Difficulties in Rhinoplasty

**Title:** Rhinoplasty techniques in Filipinos

### **2. Curriculum Vitae**

#### **PROFESSIONAL SOCIETIES**

President and Fellow, Philippine Association of Plastic, Reconstructive and Aesthetic Surgeons, Inc. (PAPRAS)

Fellow, Philippine College of Surgeons (PCS)

Diplomate, Philippine Board of Plastic Surgery

International Member, American Society of Plastic Surgeons

International Member, American Society of Aesthetic Plastic Surgery

Member, International Society of Aesthetic Plastic Surgery

Member, International Confederation for of Plastic, Reconstructive & Aesthetic Surgery

Member, International Society of Plastic, Regenerative Surgery

Philippine National Secretary and Member, Oriental Society of Aesthetic Plastic Surgery

#### **CLINICAL AFFILIATIONS**

Active Consultant and Training Officer for Plastic Surgery, Section of Plastic and Reconstructive Surgery, Department of Surgery, St. Luke's Medical Center Quezon City  
Active Consultant, Aesthetic Surgery Center, St. Luke's Medical Center, E. Rodriguez Avenue, Quezon City

Visiting Consultant, Aesthetic Surgery Center, Manila Doctors Hospital, U.N. Avenue,

Visiting Consultant, Dr. Jesus Delgado Memorial Hospital

#### **MEDICAL EDUCATION**

University of the Philippines College of Medicine, 1978-1982

#### **CLINICAL INTERNSHIP**

Philippine General Hospital 1982-1983

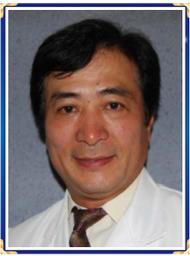

#### **RESIDENCY TRAINING**

1984-1988 Plastic and Reconstructive Surgery, University of the Philippines-Philippine General Hospital Medical Center, Taft Avenue, Manila, Philippines

#### **FELLOWSHIP TRAINING**

1989-1990 Fellowship in Aesthetic Plastic Surgery, Institute of Aesthetic Plastic Surgery, Atlanta, Georgia, U.S.A.

1990-1990 Fellowship in Aesthetic Plastic Surgery and Maxillofacial Surgery, Mt. Sinai Medical Center, Cleveland, Ohio, U.S.A.

## **Shinichi Soyano**

37th President, Japan Society of Aesthetic Plastic Surgery, Japan

### **1. April 27<sup>th</sup>, Sunday, Room I 17:00~18:00**

**Theme:** Filler: Correction of Midcheek Groove and Nasolabial Fold (Personal Technique)

**Title:** Nanoneedle 34G filler rejuvenation: An update

### **2. Curriculum Vitae**

#### **EDUCATION**

1979 M.D., PhD., Graduated from Faculty of Medicine, the University of Tokyo

#### **POST-GRADUATE TRAINING**

1979-1988 Tokyo University, Department of Plastic and Reconstructive Surgery  
(During the above period, one year of Tokyo Police Hospital)

1988- Kanda Aesthetic Plastic Surgery clinic

#### **TEACHING APPOINTMENT & EXPERIENCES**

Shinichi Soyano, MD, PhD is Plastic Surgeon. In 1988, he founded a private practice for plastic & esthetics surgery and medicine in Tokyo. Dr. Soyano has extensive experience with facial Filler injections. He is Specialist Surgeon and Member of the following scientific societies: Japan Society of Plastic and Reconstructive Surgery, Japan Society of Aesthetic Plastic Surgery, Japan Association of Aesthetic Medical Inc.

## Shigehiko Kawakami

Department of Plastic and Reconstructive Surgery, Kanazawa Medical University, Ishikawa, Japan

### 1. April 26<sup>th</sup>, Saturday, Room III 16:00~17:00

**Theme:** Facial Contouring 1: Genioplasty

**Title:** Aesthetic osteotomy for jaw deformity

### 2. Curriculum Vitae

#### EDUCATION

- 1976 Graduated from Kanazawa University School of Medicine, Kanazawa, Japan  
1987 Medical doctor degree from Department of Plastic and Reconstructive Surgery, Kanazawa Medical University, Uchinada, Japan

#### Professional Background

- 1976-1976 Resident, Kanazawa Medical University Hospital, Japan  
1976-1978 Assistant, Dept. of Anesthesiology, Kanazawa Medical University, Japan  
1979-1987 Assistant, Dept. of Plast. & Reconstr. Surg. Kanazawa Medical University, Japan  
1987-1996 Assistant Professor, Dept. of Plast. & Reconstr. Surg. Kanazawa Medical University, Japan  
1992-1997 Associate Professor, Dept. of Plast. & Reconstr. Surg. Kanazawa Medical University, Japan  
1996-1996 Visiting Professor, Division of Plast. Surg. University of California, Los Angeles, USA  
1997-present Chief Professor, Dept. of Plast. & Reconstr. Surg. Kanazawa Medical University, Japan  
2009-2010 Vice-Medical Director of Kanazawa Medical University Hospital  
2010-present Medical Director of Kanazawa Medical University Hospital

#### Societies

- 2011-2013 Chairman of Board Directors, Japanese Cleft Palate Association  
2011-2013 Chairman of Board Directors, Japanese Society for Burn Injuries  
2013-present Chairman of Board Directors, Japan Society of Plastic and Reconstructive Surgery

## Henry Delmar

Clinique Science & Beauté, France

### 1. April 26<sup>th</sup>, Saturday, Room 201 16:00~17:00

**Theme:** Keynote 4

**Title:** Aging process, anatomy, surgical programs

### 2. Curriculum Vitae

#### CAREER

1991 Qualify as Plastic & Aesthetic surgeon

1991-1993 Assistant Resident in the department of Plastic Surgery, Hospital Nord, Marseille, France

#### Degrees of

- Specialized Studies (DES) in Plastic, Reconstructive and Cosmetic

- The European Board of Plastic Surgeons (EBOPRAS)

#### Academic qualifications

1983 Certificate of Superior Studies of General Anatomy and Organogenesis.

1988 Diploma University of Anatomical Pathology and Surgical Practice.

1988 Diploma University of surgical techniques.

1989 Diploma University Research microsurgery (2 years).

1993 Certificate of Academic Studies of Writing and Communication Medical.

## Moe Thuzar

Department Plastic, Maxillofacial and Oral Surgery, Yangon General Hospital, Yangon, Myanmar

### 1. April 26<sup>th</sup>, Saturday, Room 201 09:00~10:00

**Theme:** Keynote 1

**Title:** Change and challenge of plastic and reconstructive surgery in Myanmar

### 2. Curriculum Vitae

#### Educational Background

- 1987 MBBS( University of Medicine 1, Yangon)
- 1995 M.Med.Sc (Surgery) (University of Medicine 1, Yangon)
- 2006 Dr.Med.Sc (Oral and Maxillofacial Surgery)(University of Medicine 1, Yangon)

#### Training

- 2001 Singapore General Hospital
- 2002 Munich, Germany
- 2006 MD Anderson Cancer Center, University of Texas, United States
- 2008 Alfred Hospital, Melbourne Australia  
Prince of Wales Hospital, Australia

#### Activities

- 2009 Operation Smile Team, Yangon, Myanmar
- 2010 Operation Smile Team, Batam, Indonesia
- 2013 Operation Smile Team, Yangon, Myanmar

#### Job Title

- 2010 Professor/Head of Department, Plastic, Maxillofacial and Oral Surgery, Yangon general Hospital
- 2002-2009 Senior Consultant Plastic Surgeon
- 1998-2002 Junior Consultant Surgeon
- 1995-1998 Registrar
- 1990-1995 General Surgery Training

## Alex Khadavi

Encino Dermatologist & Laser Center, CA, USA

### 1. April 26<sup>th</sup>, Saturday, Room 201 10:40~11:40

**Theme:** Keynote 2

**Title:** Vaser High Def liposuction in the Asian patient

### 2. Curriculum Vitae

#### EDUCATION

- 1994 Bachelor of Science in Biology, University of California, Los Angeles
- 1998 M.D., George Washington University, School of Medicine, Washington, D.C.
- 1998-1999 Intern in Internal Medicine, University of California, Los Angeles
- 1999-2002 Resident In Dermatology, University of California, San Francisco

#### RESEARCH EXPERIENCE

- UNIVERSITY OF CALIFORNIA, SAN FRANCISCO, Cutaneous Carcinogenesis Laboratory, July, 2002-present. Research Advisor: Dr. James Cleaver. Analysis of the biology of Non-Melanoma skin cancer and development of novel therapies for skin cancer.
- NATIONAL INSTITUTE OF HEALTH, Laboratory of Molecular Carcinogenesis, 1997-1998. Research Advisor: Dr. Kenneth Kraemmer. Genetic mutational sequencing, analysis and gene therapy in Xeroderma Pigmentosum patients.
- UNIVERSITY OF CALIFORNIA, LOS ANGELES, Department of Pediatric Gastroenterology, 1992-1995. Research Advisor: Dr. Susan McDiarmid. Up-regulation of cytokine expression in rat small intestine transplantation.
- UNIVERSITY OF CALIFORNIA, LOS ANGELES, Department of Biology, 1993-1994. Research Advisor: Dr. Winston Salser. Gene regulation in HL-60, promyelocytic cell line during differentiation; Human Genome Project.

## Mitchell Kim

Cosmos Clinic, Double Bay, Sydney, Australia

### 1. April 26<sup>th</sup>, Saturday, Room 201 10:40~11:40

**Theme:** Keynote 2

**Title:** Vaser High Def liposuction in the Asian patient

### 2. Curriculum Vitae

#### EDUCATION AND CREDENTIALS

- 2009-2013 Bachelor of Dentistry, BDent University of Sydney  
2006 Bachelor of Medicine, Bachelor of Surgery, BSc(Med) MBBS  
University of New South Wales  
1998 Higher School Certificate, UAI 99.95, Sydney Grammar School

#### CLINICAL HISTORY

- 2013-Present Cosmetic Surgeon, Cosmos Clinic, Double Bay, Sydney  
2013 Oral and Maxillofacial Surgery Registrar (full time), John Hunter Hospital  
2012 Unaccredited Oral and Maxillofacial Surgery Registrar (part time, on-call),  
Prince of Wales Hospital  
2010-Present CMO in charge (part-time position), Prince of Wales Private Hospital  
2010-Present Emergency Locum Registrar (casual position), Bathurst Base Hospital  
Wagga Wagga Base Hospital  
2009-1010 Emergency Locum SRMO (casual position)  
2008-2009 Surgical RMO (PGY2), Princess Alexandra Hospital  
2007-2008 Internship (PGY1), Bankstown-Lidcombe Hospital

#### COURSES

Surgical Courses:

- 2011 EMST  
2012 CLEAR  
2011 Annual Oral and Maxillofacial Surgery Course, Westmead Hospital

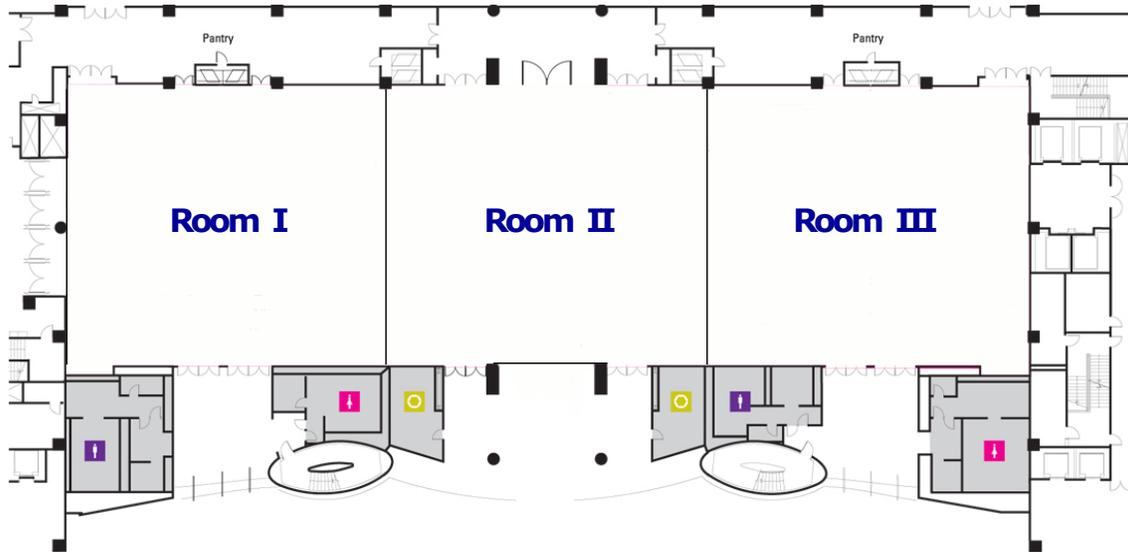

MIPS Risk Management Courses:

- 2011 Dealing with Difficult Patients  
2011 Limiting Your Medico Legal Risk

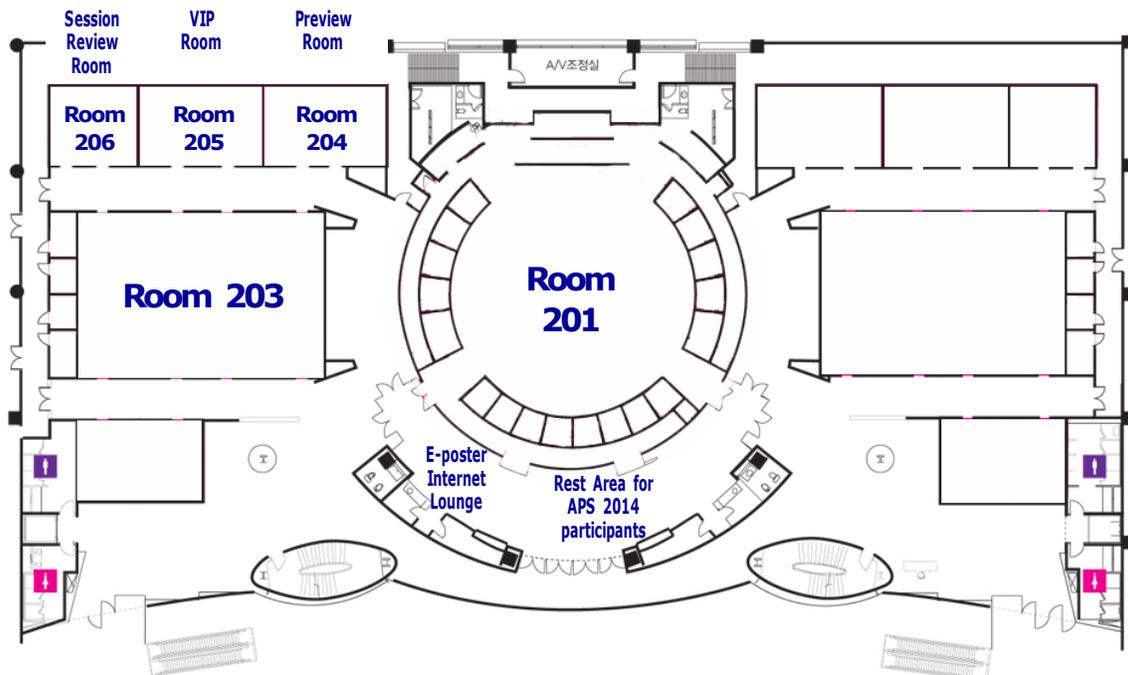

Conferences:

- 2012 ANZAOMS Conference

### COEX Convention Center, 1F, Grand Ballroom

### COEX Convention Center, 2F, North Conference Room

## Free Paper 1

Moderator: **Donghee Kang** (Dankook Univ. Hosp.),

**Jiseon Cheon** (Chosun Univ. Hosp.)

- FP1-01 Reduction malarplasty using fixation technique under local anesthesia  
**Taegyu Kim** (BRAUN Plastic Surgery Clinic) / 50
- FP1-02 Clinical anatomy related with lower blepharoplasty  
**Sun Je Kim** (Chungnam National Univ.) / 51
- FP1-03 Augmentation lower blepharoplasty **Jin Myung Hong** (Seoul National Univ.) / 52
- FP1-04 Clinical Consideration about the revision surgery of the lateral canthoplasty  
**Jihoon Cha** (GIO Aesthetic Clinic) / 53
- FP1-05 A Pilot Test of Skin Resurfacing using the 2790 nm Erbium:YSGG Laser System  
**Jong Won Lee** (Catholic Univ. of Daegu) / 55
- FP1-06 Comparison of the effectiveness of nonablative versus ablative fractional laser in thyroidectomy scar  
**Soo Young Kim** (Korea Univ.) / 56
- FP1-07 A Randomized, Multi-Center, Patient and Evaluator-Blind, Matched Pairs Clinical Study to Evaluate the Safety and Efficacy of Injection with GENOSS Filler as Compared to RESTYLENE® in Correction of Nasolabial Fold  
**Byungjun Kim** (Seoul National Univ.) / 57
- FP1-08 Long term outcomes of Minimal Invasive Non-surgical Thread (MINT) Lift on lower facial lifting  
**Woon Il Baek** (Chung-Ang Univ.) / 58
- FP1-09 Effects of botulinum toxin type A injections into injured parotid glands for reducing salivary secretion  
**Byeong Ho Lee** (Hallym Univ.) / 60
- FP1-10 Tips and Tricks for Successful Breast Fat Augmentation  
**Seungboem Hahn** (JW Plastic Surgery Center) / 62
- FP1-11 Comparative study of infectious complications between aseptic and sterile acellular dermal matrix  
**Kyoung Wook Choi** (Yeungnam Univ.) / 63
- FP1-12 Use of nasal septal bone for septal extension graft after jaw surgery  
**Gui Rak Kim** (Braun Plastic Surgery) / 64

09:00~10:00

## Stem Cell

Moderator: **Youngjun Jun** (Catholic Univ. Bucheon St. Mary's Hosp.)

**Wooseob Kim** (Chungang Univ. Hosp.)

1. Stem cell therapy **Kwangsik Kook** (IDEA Aesthetic Plastic Surgical Clinic) / 76
2. "The adipocyte cycle" - A new hypothesis on adipocyte  
**Jae-Ho Jeong** (Oblige Plastic Surgery Clinic) / 76
3. Minimally manipulated ex vivo stem cell proliferation methods as a medical procedure **Heeyoung Lee** (Baroyl Aesthetic Plastic Surgical Clinic) / 77
4. Cell banking **Sungtaek Kwon** (Seoul National Univ. Hosp.) / 78

10:00~10:40	<i>Coffee Break</i>	
10:40~11:40	<b>Antiaging 1: Debates of Approaches to Zygomatic Retaining Ligament</b>	
	Moderator: <b>Jeongho Choi</b> (Dr. Choi's Aesthetic Plastic Surgical Clinic)	
	<b>Okyu Choi</b> (Global Aesthetic Plastic Surgical Clinic)	
	1. Deep plane face lift	
	<b>Youngjin Park</b> (Kangnam Samsung Aesthetic Plastic Surgical Clinic) /	90
	2. High SMAS face lift <b>Min-Hee Ryu</b> (Shanghai Saint Baum Aesthetic Hosp.) /	90
	3. Extended SMAS face lift <b>Jooheon Lee</b> (April 31 Aesthetic Plastic Surgical Clinic) /	91
11:50~12:30	<b>Invited Lecture 1</b>	
	Moderator: <b>Youngjin Kim</b> (Chairman, Board of Directors of the KSAPS)	
	Lipoabdominoplasty: Revisiting the superior pull down abdominal flap and new approaches	
	<b>Carlos Oscar Uebel</b> (President, International Society of Aesthetic Plastic Surgery) /	101
12:30~14:10	<i>Lunch &amp; General Assembly of KSAPS</i>	
14:10~15:30	<b>Mammoplasty 1: Case Discussion and Debate: Young vs Senior</b>	
	Moderator: <b>Sangtae Ahn</b> (The Catholic Univ. of Korea Seoul St. Mary's Hosp.)	
	<b>Kun Hwang</b> (Inha Univ. Hosp.)	
	Senior <b>Paikkwon Lee</b> (Apgujeong Avenue Aesthetic Plastic Surgical Clinic) /	104
	<b>Anna Lee</b> (Optima Aesthetic Plastic Surgical Clinic) /	104
	<b>Kyuhoo Cha</b> (LOGOS Aesthetic Plastic Surgical Clinic) /	104
	Young <b>Jaejin Ock</b> (THE Aesthetic Plastic Surgical Clinic) /	104
	<b>Sungsoo Park</b> (BongBong Aesthetic Plastic Surgical Clinic) /	104
	<b>Moonseop Choi</b> (Grace Aesthetic Plastic Surgical Clinic) /	104
15:30~16:00	<i>Coffee Break</i>	
16:00~17:00	<b>Mammoplasty 2: Revisional Breast Surgery: Malposition</b>	
	Moderator: <b>Byungil Lee</b> (Korea Univ. Anam Hosp.)	
	<b>Sangmyun Cha</b> (Sein Aesthetic Plastic Surgical Clinic)	
	1. Literature review on the management of implant malposition	
	<b>Jung Ho Lee</b> (The Catholic Univ. of Korea Bucheon St. Mary's Hosp.) /	114
	2. Management of breast implant malposition	
	<b>Chulhwan Seul</b> (JW Plastic Surgery Center) /	114
	3. The correction of malposition with ADM	
	<b>Hong-Ki Lee</b> (Image Plastic and Aesthetic Surgery Clinic) /	115
	4. Personal experience about simple approach on the correction of bottoming out (External fixation by suturing, endoscopic electro-cauterization and combined method)	
	<b>Soonchan Um</b> (Um Nagumo Aesthetic Plastic Surgical Clinic) /	115

April 26(Sat)

Room I

PROGRAM

17:00~18:00

## Mammoplasty 3: Drawbacks & Solving for Anatomic Implant in Breast Augmentation

Moderator: **Paikkwon Lee** (Apgugeong Avenue Plastic Surgery Clinic)

**Heechang Ahn** (Hanyang Univ. Hosp.) /

1. **Wonjun Yoon** (Migo Aesthetic Plastic Surgical Clinic) / 125
2. **Jinseok Park** (Parkjinseok Aesthetic Clinic) / 125
3. **Youngdae Lee** (Mega Aesthetic Plastic Surgical Clinic) / 125

- 08:00~09:00 **Free Paper 2**  
Moderator: **Dong-geun Lee** (Chungbuk Univ. Hosp.)  
**Gyeol Yoo** (The Catholic Univ. Yeouido St. Mary's Hosp.)
- FP2-01 4 Rings Periareolar Perforator Based Reduction Mammoplasty  
**Jun-Young Choi** (Chonbuk National Univ.) / 67
- FP2-02 Asian short nose, a simplified classification  
**Sang Mun Choi** (Hongseong Public Health Clinic) / 67
- FP2-03 A New Suture Method for Stabilizing Columella in Rhinoplasty: Trans-septal Columellar Stabilizing Suture (TCSS) technique  
**Jae Yong Jeong** (PLUS Aesthetic Plastic Surgery Clinic) / 68
- FP2-04 Narrowing genioplasty using inverted V-shape or horizontal osteotomy with central segment resection  
**Taegyul Kim** (BRAUN Plastic Surgery Clinic) / 70
- FP2-05 Aesthetic Neck Lift  
**Junghak Yang** (Jelim Plastic Surgical Clinic) / 71
- 09:00~10:00 **Laser: Laser Assisted Skin Rejuvenation**  
Moderator: **Eulsik Yoon** (Korea Univ. Anam Hosp.)  
**Soonheum Kim** (Konkuk Univ. Chungju Hosp.)
1. HIFU rejuvenation: Combination treatment with fractional laser, RF & thread  
**Jiehoon Kim** (Dr. Kim's Skin & Laser Clinic) / 79
2. Combination of radiofrequency, fractional laser and dermal filler  
**Jaewoo Park** (Dr. Park's Aesthetic Plastic Surgical Clinic) / 80
3. Combination of long pulse and Q-switch laser for skin rejuvenation  
**Daewoo Jeon** (S Aesthetic Plastic Surgical Clinic) / 81
- 10:00~10:40 *Coffee Break*
- 10:40~11:40 **Toxin: Personal Botulinum Toxin Injection Technique**  
Moderator: **Hyekyung Lee** (Eulji Medical Center)  
**Byeongmin Lee** (Yonsei Aesthetic Plastic Surgical Clinic)
1. Upper face 1  
**Eunsoo Park** (Soonchunhyang Univ. Bucheon Hosp.) / 93
2. Upper face 2  
**Yeshik Shin** (NAVI Aesthetic Plastic Surgical Clinic) / 93
3. Lower face 1  
**Dongyeon Hwang** (Grace Aesthetic Plastic Surgical Clinic) / 94
4. Lower face 2  
**Nakkwan Sung** (Dr. Sung's Aesthetic Plastic Surgical Clinic) / 95
- 11:50~12:30 **Invited Lecture 1**  
Moderator: **Youngjin Kim** (Chairman, Board of Directors of the KSAPS)  
Lipoabdominoplasty: Revisiting the superior pull down abdominal flap and new approaches  
**Carlos Oscar Uebel** (President, International Society of Aesthetic Plastic Surgery) / 101

# April 26<sup>th</sup> (Sat) Room II (Program / English & Korean)

April 26(Sat)

Room II

PROGRAM

12:30~14:10 *Lunch & General Assembly of KSAPS*

14:10~15:30 **Rhinoplasty 1: Patient Selection & Prevention of Complication in Rhinoplasty**

Moderator: **Seong-Geun Park** (JOSEPH Aesthetic Plastic Surgical Clinic)

**Somin Hwang** (Good Moonwha Hosp.)

1. Tip projection **Gyusuk Hwang** (Homme & Femme Aesthetic Plastic Surgical Clinic) / 105
2. Bulbous tip correction **Sungwan Park** (April 31 Aesthetic Plastic Surgical Clinic) / 105
3. Dorsal augmentation **Kyuhoo Lee** (JW Plastic Surgery Center) / 106
4. Hump nose **Taeyoung Cho** (Mediphil Aesthetic Plastic Surgical Clinic) / 106

15:30~16:00 *Coffee Break*

16:00~17:00 **Blepharoplasty 1: Lower Lid Blepharoplasty**

Moderator: **Hongseok Kim** (Oh&Kim's Aesthetic Clinic)

**Taeyeon Kim** (Bundang Jesaeng General Hosp.)

1. Eyebag correction using transconjunctival septal reset with structural fat graft  
**Dongyeon Hwang** (Grace Aesthetic Plastic Surgical Clinic) / 117
2. The purpose of lower blepharoplasty **Honglim Choi** (JW Plastic Surgery Center) / 117
3. Lower blepharoplasty in eyelids with high risk of complication  
**Sungpyo Hong** (BIO Aesthetic Plastic Surgical Clinic) / 118

17:00~18:00 **Blepharoplasty 2: Aging Eyelid**

Moderator: **Sungtaek Kwon** (Seoul National Univ. Hosp.)

**Hoyun Chung** (Kyungpook National Univ. Hosp.)

1. Brow archetype preferred by Korean women  
**Seongkee Kim** (Kim Seong Kee Aesthetic Surgical Plastic Clinic) / 127
2. Senile ptosis **Inchang Cho** (BIO Aesthetic Plastic Surgical Clinic) / 128
3. Improvement of lateral hooding of aging upperlid by blepharoplasty only  
**Hongseok Kim** (Oh&Kim's Aesthetic Plastic Surgical Clinic) / 128
4. Ideal indications of sub-brow skin excision and forehead depressor muscle resection simultaneously **Eunjung Lee** (LeeJung Aesthetic Plastic Surgical Clinic) / 129

08:00~09:00

## Free Paper 3

Moderator: **Nakheon Kang** (Chungnam National Univ. Hosp.)

**Eunsoo Park** (Soonchunhyang Univ. Bucheon Hosp.)

- FP3-01 A Safe Method for Thick and High-SMAS Flap Elevation in Face-Lift:  
Technique and Results **Su Chul Kim** (THE Plastic Surgery Clinic) / 72
- FP3-02 The new trend of thread lift using V-Loc<sup>®</sup> thread  
**Bongil Rho** (Glovi Plastic Surgery) / 73
- FP3-03 Surgical anatomic consideration on the origin of the risorius muscle in  
relation to facial planes **Jooheon Lee** (April31 Aesthetic Clinic) / 73
- FP3-04 Eight-year experiences of Philtrum Reduction  
**Dong-eun Lee** (Liz Aesthetic Surgery Clinic) / 74

09:00~10:00

## Hair: Facial Contouring by Hair Transplantation

Moderator: **Jae-Heon Jung** (Kangnam Yonsei Aesthetic Plastic Surgical Clinic)

**Sungchul Hong** (HONG SUNG CHUL Plastic Surgical Clinic)

1. Facial Contouring by strip hair transplantation **Jino Kim** (New Hair Institute) / 82
2. Facial contouring by FUE (Follicular Unit Extraction) hair transplantation  
**Jongpil Choi** (JP Aesthetic Plastic Surgical Clinic) / 82
3. Solutions for complications **Sooheo Park** (Mojelim Aesthetic Plastic Surgical Clinic) / 84

10:00~10:40

*Coffee Break*

10:40~11:40

## Basic: Wound Healing

Moderator: **Jinsup Eom** (Asan Medical Center)

**Soojong Choi** (Busan National Univ. Hosp.)

1. The principle of wound management **Youngchul Jang** (Hangangsoo Hosp.) / 96
2. Surgical approach of difficult wound healing  
**Donghyeok Shin** (Konkuk Univ. Hosp.) / 97
3. Enhancement of facial wound healing, laser  
**Kyungho Lee** (Hoya Aesthetic Plastic Surgical Clinic) / 97
4. Cell therapy in wound healing  
**Jongwon Rhie** (The Catholic Univ. of Korea Seoul St. Mary's Hosp.) / 98

11:50~12:30

## Invited Lecture 1

Moderator: **Youngjin Kim** (Chairman, Board of Directors of the KSAPS)

Lipoabdominoplasty: Revisiting the superior pull down abdominal flap and new approaches

**Carlos Oscar Uebel** (President, International Society of Aesthetic Plastic Surgery) / 101

# April 26<sup>th</sup> (Sat) Room III (Program)

12:30~14:10 *Lunch & General Assembly of KSAPS*

14:10~15:30 **Rhinoplasty 1: Patient Selection & Prevention of Complication in Rhinoplasty**

Moderator: **Seong-Geun Park** (JOSEPH Aesthetic Plastic Surgical Clinic)

**Somin Hwang** (Good Moonwha Hosp.)

1. Tip projection **Gyusuk Hwang** (Homme & Femme Aesthetic Plastic Surgical Clinic) / 105
2. Bulbous tip correction **Sungwan Park** (April 31 Aesthetic Plastic Surgical Clinic) / 105
3. Dorsal augmentation **Kyuhoo Lee** (JW Plastic Surgery Center) / 106
4. Hump nose **Taeyoung Cho** (Mediphil Aesthetic Plastic Surgical Clinic) / 106

15:30~16:00 *Coffee Break*

16:00~17:00 **Facial Contouring 1: Genioplasty**

Moderator: **Daehyun Lew** (Yonsei Univ. Severance Hosp.)

**Seungsuk Choi** (Hanyang Univ. Guri Hosp.)

1. Techniques of V-line Surgery: Lower Border Osteotomy vs T-Osteotomy  
**Yoon Seok** (Pladen Aesthetic Plastic Surgical Clinic) / 119
2. Vertical shortening and lengthening genioplasty  
**Sangwoo Lee** (D.A. Aesthetic Plastic Surgical Clinic) / 120
3. Genioplasty except bone surgery  
**Jungwoo Lee** (Izien Aesthetic Plastic Surgical Clinic) / 120
4. Aesthetic osteotomy for jaw deformity  
**Shigehiko Kawakami** (Kanazawa Medical Univ., Japan) / 120

17:00~18:00 **Facial Contouring 2: Lip Protrusion vs. Retruded Chin**

Moderator: **Jangkeun Lee** (City Aesthetic Plastic Surgical Clinic)

**Yong-ook Kim** (Yonsei Univ. Severance Hosp.)

1. How to approach & treat the patient who is complaining about their lip or chin profile  
**Sangjoon Lee** (IDEA Aesthetic Plastic Surgical Clinic) / 131
2. Orthodontic viewpoint on anterior protrusion  
**Bumyeon Koh** (Dr. Koh's X.O Orthodontic office) / 131
3. Application of ASO (Anterior Segmental Osteotomy) to correct mouth protrusion  
**Heung Sik Park** (AT Aesthetic Plastic Surgical Clinic) / 132
4. Application of jaw surgery for the correction of class II convex facial profile  
**Jongwoo Choi** (Ulsan Univ. Asan Medical Center) / 132

April 26(Sat)

Room III

PROGRAM

# April 26<sup>th</sup> (Sat) Room 201 (Program)

- 09:00~10:00 **Keynote 1**  
Moderator: **Pildong Cho** (Inje Univ. Ilsan Paik Hosp.)  
Change and challenge of plastic and reconstructive surgery in Myanmar  
**Moe Thuzar** (Yangon General Hosp., Myanmar) / 85
- 10:00~10:40 *Coffee Break*
- 10:40~11:40 **Keynote 2**  
Moderator: **Youngwoong Choi** (Inje Univ. Sanggye Paik Hosp.)  
Vaser High Def liposuction in the Asian patient  
**Joseph Ajaka** (Cosmos Clinic, Australia) / 99
- 14:10~15:30 **Keynote 3**  
Moderator: **Kapsung Oh** (Samsung Medical Center)  
Aesthetic otoplasty  
**Chul Park** (Korea Univ. Anam Hosp.) / 108
- 16:00~17:00 **Keynote 4**  
Moderator: **Donghyeok Shin** (Konkuk Univ. Hosp.)  
Aging process, anatomy, surgical programs  
**Henry Delmar** (Clinique Science & Beauté, France) / 122

## ◆ General Assembly of The Korean Society for Aesthetic Plastic Surgery

- Date : 26<sup>th</sup>(Sat) April, 2014 12:30~14:10
- Venue : COEX Convention Center, 1F, Grand Ballroom Room I, II, III

## ◆ General Assembly of Korean Association of Plastic Surgeons

- Date : 27<sup>th</sup>(Sun) April, 2014 12:00~13:30
- Venue : COEX Convention Center, 1F, Grand Ballroom Room I, II, III

## ◆ Presidential Dinner

- Date : 26<sup>th</sup>(Sat) April, 2014 18:30~
- Venue : Hall E(3F), COEX

## ◆ Business Exhibit

- Date : 26<sup>th</sup>(Sat)~27<sup>th</sup>(Sun) April, 2014
- Venue : 1<sup>st</sup> floor & Pre-function, 2<sup>nd</sup> floor lobby

※ Access to symposium room without a name tag will be controlled by staffs.

※ Please put your cell phone on vibrate or turn off during the symposium.  
Also, any types of filming is prohibited. Thank you for your cooperation.

## ◆ Lecture Presentation Guideline

1. The symposium only takes computer presentation through Power Point.
2. A monitor and a mouse will be placed in the podium for the symposium
  - 1) You can use the mouse icon in stead of laser pointer.
  - 2) As presenting the lecture, you can face both the monitor and audience.
  - 3) Please notify staffs beforehand if a laser pointer is needed.
3. All submitted lecture slides will be deleted after the symposium.

## ◆ Presentation Guideline

1. It is a recommendation to add a simple introduction and conclusion to main content in the lecture. But too much of history and well-known background introduction is better to be omitted.
2. It is desired to present objective information and data with appropriate introduction.
3. An attempt to present excessive graphs and tables in a short time can lead to downgrade the quality of lecture.
4. Exceeding assigned time cannot be tolerated in any circumstances. This is a huge discourtesy to moderators, audience and other speakers. Please practice presentation in advance and measure the length of time. (Microphone will be turned off if the assigned time is over.)
5. Please distribute sufficient time for the audience to understand when a lecture slide is passed on to the next. It will be helpful to add an introduction of main point when observing graphs or photographs.
6. It is suggested to carry under 8 lines of sentences or 2 or less graphics or photographs in a slide. Please enlarge the font into the suitable size.

## ◆ Preview Room

**2F, North Conference Room, 204**

\*Please shorten the time of practice as many members are using the place.

## ◆ E-poster

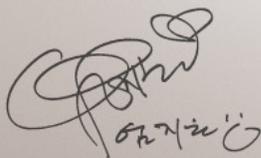

2F Room 201 Lobby, North Conference

## ◆ Internet Lounge

2F Room 201 Lobby, North Conference
